**March 31st -  
April 4th**

## ***Semester Break***

Semester Break is here! Whether you're traveling or relaxing at home, we hope this week brings rest and joy. Enjoy your break - we'll see you soon!

## **International Student Program**

***Open Your Door to a New World -  
Become a Host Family!***

We are in urgent need of families willing to open their hearts and homes to international students for the upcoming school year. Hosting a student is more than just providing a place to stay - it's an opportunity to build lifelong connections, experience new cultures, and make a meaningful impact on a young person's life.

Right now, our need for host families is critical. This is a unique chance to show Christ's love through hospitality, welcoming students into not just your home, but also into a Christ-centered environment. Whether you have children at home, are an empty nester, or simply have room to offer, you can play a vital role in shaping a student's future while sharing the love of God in a tangible way.

When you open your door, you open a world of possibilities - for them and for you. If you feel led to serve in this way, please contact our **International Student Program Director Grace Meng** at [gmeng@friendshipchristian.net](mailto:gmeng@friendshipchristian.net) or the **Office** at [fcsmail@friendshipchristian.net](mailto:fcsmail@friendshipchristian.net) for more information.

# March Moments

## *A Month of Fun and Service*

### Read Across America Week

Read Across America Week was a huge success! Our elementary students had an amazing time celebrating the joy of reading with a fun-filled week of dress-up days inspired by beloved books. From the colorful outfits of Red Fish, Blue Fish on Monday to the wacky and wonderful styles of Wacky Wednesday, creativity was on full display! Laughter, learning, and a love for books filled the hallways, making this event a truly memorable one.

A big thank you to our teachers, Mrs. Raley, and everyone who participated in making this week so special! We loved seeing the enthusiasm and can't wait to do it again next year.

March 7th, 2025

### High School Service Day

This past week, our high school students stepped out of the classroom and into the community for our annual Service Day. They served at four locations - our own campus, Durham Rescue Mission, Community of Hope, and Wake County Special Olympics - offering their time and effort to support various needs.

March 26th, 2025

Whether working locally or in the broader community, students approached each task with enthusiasm and a heart to serve. From lending a helping hand to encouraging those around them, they made a meaningful impact through their willingness to give back.

Service Day is a powerful reminder that serving others reflects Christ's love in action. We are proud of our students for their dedication and grateful for the opportunity to be a light in our community.

# The Creative Flight

## *Showcasing Talent for God's Glory*

---

After months of dedication and preparation, our secondary students had the opportunity to showcase their talents at the NCCSA Fine Arts Competition this past week. Competing alongside students from across North Carolina, they participated in a variety of categories, including academic testing, art, Bible preaching and teaching, and music.

We are so proud of the more than 100 students who represented FCS in 96 different events. Their hard work and commitment were evident, and we commend each of them for the effort they put into preparing for this competition.

A special thank you to the directors, accompanists, teachers, and parents who encouraged and guided our students throughout this process. Most importantly, we give glory to God for the gifts He has given these students and for the opportunity to see them use their talents in such a meaningful way.
